Visit the Moritz Arboretum's Garden Railway and collect "Auntie Wonders of the World." The garden-scale buildings, like the “Taj Mahal” above, are created from a variety of materials. The garden's professional staff has built a wide range of structures that are self-sustaining and can accommodate different types of soil, water, and temperature conditions.

On the Moritz Arboretum's Penn Campus, you can enjoy the following events:

- **Garden Railway Events**
  - **Morris Arboretum**
  - **Bill & Tammy's Children's World**
  - **Essentials of Management—What's New in Word 2007**
