**NEW MUSEUM EXHIBIT & ANNUAL MUSEUM WEEK**

A world-renowned collection of ancient burial mummies, to be displayed at the Museum nearly a century ago and reintroduced in 2007, offers a field for the compelling concept for Painted Pottery: Pottery and Painting in the Ancient Americas. The exhibit is completely immersive, offering a new tool to learn about ancient Americas. The Museum is excited to host the exhibition in Philadelphia as part of the New Museum Exhibition and Annual Museum Week. Bums from the exhibit.
