## OVERVIEW

Campus Philly and PHENND will be hosting the First Annual Student Services Leaders Conference on Saturday, November 10, 2007. Both organizations seek to bring together highly involved college students from the Philadelphia area around topics stemming from extracurricular service and service learning.

Each year, student service leaders in the Philadelphia region work across their campuses and neighboring communities to shape peer service experiences and institutional programming. In providing a forum to share best practices, collaborate around local issues, and identify with like-minded leaders, we hope to create a conference experience enriching a student's academic and civic interests.
