As an individual whose position requires interaction with any or all of the University's administrative information systems, I may be provided with direct access to confidential and valuable data and/or use of data systems. In the interest of maintaining the integrity of these systems and of ensuring the security and proper use of University resources, I will maintain the confidentiality of my password for all systems to which I have access. I will maintain in strictest confidence the data to which I have access. Confidential information will not be shared in any manner with others who are unauthorized to view such data. I will use my access to the University's systems for the sole purpose of conducting official business of the University. I understand that the use of these systems and their data for personal purposes is prohibited. I understand that any abuse of access to the University's systems and their data, any illegal copying of software, and any misuse of the University's equipment may result in disciplinary action, loss of access to the University's systems, and possible sanctions consistent with the University Policy on Adherence to University Policy.
