

Management and Technology Intern Fellowship Award

Overview:

The **Management and Technology Intern Fellowship Award** is designed to provide M&T students with an opportunity to pursue internships in small entrepreneurial venture firms. The Fellowship will provide supplemental financial support to selected summer internships. Preference will be given to internships offered by or through M&T alumni.

Requirements and Evaluation Criteria:

All current M&T students are eligible to apply. Evaluation criteria will include the nature of the proposed internship, the fit of the proposed internship with the student's educational program and interests, and the degree to which the internship appears to provide a meaningful learning experience for the student and worthwhile benefits to the enterprise.

Application Submission:

Completed applications should be submitted to the M&T Office by Friday, April 25, 2008. Applications will be evaluated by an M&T faculty/staff committee.

Application Materials:

- M&T Intern Fellowship Application Form
- Applicant Letter:
 - A letter of interest that includes the following:
 - A description of the internship and how you believe the experience will contribute to your educational experience and your own career development.
 - A description of the company and its history, including sales for the most recent twelve months and number of employees. The typical companies selected will be privately held with less than \$10 million in revenues and fewer than 100 employees. Some preference will be given to for smaller entrepreneurial firms.
- Company Letter:
 - A letter from the host company indicating its plan for you for the summer, the compensation it will provide, the dates of your employment, and information about who will supervise your work. The letter should be signed by the CEO or another senior executive. Contact phone number and e-mail address should be included so that the selection committee can contact this person (if necessary).
