Vivian Ho, PhD
James A. Baker III Institute Chair, Institute of Public Policy;
Associate Professor, Department of Medicine, Baylor College of Medicine,
Rice University

“Do Hospitals Shift Unreimbursed Costs to Private Payers?”

October 1, 2010
12:00 – 1:30 PM
Steinberg Hall-Dietrich Hall
3620 Locust Walk, Room 1203

Vivian Ho is the James A. Baker III Institute Chair in Health Economics and a professor in the department of economics at Rice University. She is also an associate professor in the department of medicine at Baylor College of Medicine. Ho’s research examines the effects of economic incentives and regulations on the quality and costs of healthcare. Her research is widely published in economics, medical, and health services research journals. Ho’s research has been funded by the National Institutes of Health, the Agency for Healthcare Research and Quality, and the American Cancer Society. Ho has served on the Board of Scientific Counselors for the National Center for Health Statistics and on the National Institutes of Health (NIH) Health Services, Outcomes and Delivery study section. She is also a founding board member of the American Society for Health Economists. Ho received her A.B. in economics from Harvard University, a graduate diploma in economics from The Australian National University and a Ph.D. in economics from Stanford University.

Lunch will be provided. RSVP recommended.
