jlaverty@wharton.upenn.edu or 215-898-4268

Amanda Kowalski researches topics in health economics using applied econometric methods. Currently a Post-Doctoral Fellow in Health and Aging at the National Bureau of Economic Research, Amanda graduated from MIT with a PhD in Economics in 2008, where she focused on public finance and econometrics. After graduating from Harvard with an undergraduate degree in Economics in 2003, Amanda spent a year as a research assistant in health and labor at the White House Council of Economic Advisers.
