For United Way contributors who wish to select a specific donor option, **this listing includes agencies that received 50 or more donations** during the most recently completed campaign. Revisions to this list, along with more than 4,800 other agencies which received one or more designation, appear on the Penn's Way website, www.upenn.edu/pennsway or the United Way website www.uwsepa.org. Funds contributed as part of the donor option program are expended at the sole discretion of the agency to which they are donated. Under this program, United Way of Southeastern Pennsylvania acts as agent of the donor and cannot and does not monitor the use of these funds. United Way of Southeastern Pennsylvania only has the authority to require an accounting by those agencies to which United Way directly contributed funds, such as amounts contributed through the community Investment Fund. If you have any questions about agency eligibility or need additional assistance, please call the Donor Service Help line at 215.665.2598 or e-mail at donorservices@uwsepa.org. All agencies listed here and on the website must certify that they have received Internal Revenue Code section 501(c)(3) tax exempt status, be located within and provide human health or social services to residents of Pennsylvania, New Jersey, or Delaware, and be in good standing with the bureau of charitable organizations in the state which they solicit funds.
