March 4, 2013

Dear OASH Grantee:

As you are likely aware, in accordance with the Budget Control Act of 2011, a series of spending cuts, called sequestration, will cancel approximately $85 billion in budgetary resources across the Federal government for the remainder of the Federal fiscal year. As a partner with you in accomplishing the Office of the Assistant Secretary for Health mission, we are writing to provide you with information about what this reduction means for the funds provided to your organization.

At this time, the Department of Health and Human Services and the Office of the Assistant Secretary for Health are taking every step to mitigate the effects of these cuts, but based on our initial analysis, it is possible that your grant or cooperative agreement awards may be affected. Examples of this impact could include: not issuing continuation awards, or negotiating a reduction in the scope of your awards to meet the constraints imposed by sequestration. Additionally, plans for new grants or cooperative agreements may be re-scoped, delayed, or canceled depending on the nature of the work and the availability of resources.

To the extent that fiscal year 2013 funds for your grants or cooperative agreements are affected due to these budget cuts, you will be contacted by the appropriate Grants Management Officer with additional details at a later point. Please note that these budget cuts do not affect grant or cooperative agreement awards made with fiscal year 2012 resources.

Thank you for your continued partnership with the Department of Health and Human Services and the Office of the Assistant Secretary for Health, and for your cooperation as we work together to manage these circumstances.

Sincerely,

Alice Bettencourt
Director
Office of Grants Management, OASH
