

System-to-System (S2S) records *must* be created for Department of Defense CDMRP and NIH **new and competing renewal proposal mechanisms submitted electronically to Grants.gov. Non-competing and revision/supplemental applications to existing awards are not S2S, nor is a new PennERA record created.**

Contact PennERAhelp@lists.upenn.edu if you have questions.

Below is a list of current NIH mechanisms* that are submitted electronically:

** Some mechanisms listed are also used by AHRQ, CDC, and FDA and should be submitted S2S.*
