Please join, The Weekly Paid Professional Staff Assembly as we wrap up another great year. This year’s events were centered on the discovery of new and exciting topics, applications, and events. Our speakers presented on many areas of interest across campus and community life, such as the Employee Resource Fair, Unconscious Bias in the Work Place, Financial Resolution Towards Retirement, LGBT & You, The Netter Center; community service, and a Special Staff workshop on Recognizing and Responding to Interpersonal Violence on Campus. Let’s come together to enjoy an afternoon of music, fun, and food, as we celebrate another great year! See you in September.
