DIRECTIONS: Fill in the words beside the clues, writing a letter over each numbered blank. Transfer the letters to the diagram. The letters printed in the right corner of each diagram square provide a cross-reference to a clue. As you progress, words and phrases taking shape in the diagram will enable you to work from diagram to word. When completed, the diagram, reading across, will provide a quotation from a published work. The first letter of each word below, read vertically, will identify the author and source of the quotation. Answers to last issue’s puzzle appear on page 87.
