

Across the Green and Down the Walk | *By Bernice Gordon*

Sixty years ago this month, Bernice Gordon FA'35 published her first crossword puzzle in *The New York Times*. Since then the *Times* has run more than 150 of her creations, while thousands have appeared in other newspapers and puzzle books. Now, at age 98, she has been kind enough to create one for the *Gazette*. (For more on Gordon, see page 62. Answers on page 74.)
